STEPS TO TAKE AFTER GRADUATION

After Your Final Quarter

- Update your email and contact info on MyUCLA
- Closure of records: Check grades for accuracy, once record is sealed, no further changes can be made
- Settle all financial obligations with UCLA
- Transcripts: Order via MyUCLA (Spring 2021 graduates degree posted -July 23)
- Optional: Order an Early Certificate of Completion
- Diplomas are available approximately three months after the last day of the term. Information about diploma availability is sent to a student's e-mail address approximately six weeks after the end of the final term.
- Graduates will be able to keep their Google Apps account, including email, for life. However, only registered students are eligible to keep their access to Microsoft Office ProPlus and Box.

UCLA Financial Wellness Program

Purpose: Empower all Bruins to confidently navigate their finances in a way that supports their overall wellbeing and fosters financial literacy skills through workshops, coaching, and online educational efforts

FREE to UCLA students!

Career Center

You receive three (3) months of continued services after your last academic term. (e.g. if you graduate in March, you will enjoy the full benefits of the Career Center through the end of June.

Services during 3 months include:

- Career Counseling Appointments (via Handshake)
- Drop-in counseling
- On-Campus Recruiting (OCR) job postings and on-campus interviews
- All other job & internship listings
- Access to information sessions, workshops, and career fairs

After your 3 months, you will get one (1) year of Handshake for Alumni which gives you access to online job listings (non-OCR) and entrance to career fairs and networking events.
